

5 WAYS WE DO IT BETTER: GOTOCONNECT VS ZOOM

vs

1

GoToConnect is **MORE RELIABLE** than ZOOM

GoToConnect's industry leading uptimes of 99.995% outperforms ZOOM. In fact, GoToConnect has been **TEN** times more reliable than ZOOM during the Covid crisis. When our customers have needed us the most, we've been there.

2

GoToConnect **PERFORMS BETTER** than ZOOM

This is largely due to how heavy ZOOM is on bandwidth usage. It requires **50% more** than GoToConnect. Basically, this means you have a greater likelihood of high quality audio and video calls with GoToConnect, and less likely to receive IT Tickets complaining about poor end-user experience. Independent 3rd party tests have shown ZOOM using 3 times more data for audio and video calls compared to GoToConnect.

3

GoToConnect includes **FREE INTERNATIONAL CALLING**, this is not included with ZOOM

All GoToConnect users get free international calling included as standard with their call package. Free international calling is not included with ZOOM, it's paid by price per minute rates, which are higher than your usual domestic rates.

4

GoToConnect includes up to **\$75 MORE WORTH OF CALLS**, per user per month!

Every GoToConnect user gets unlimited calls to landlines and mobiles in the US and Canada. This is only available with ZOOM when you pay for a chargeable add-on, driving their prices up even further.

5

GoToConnect offers **MORE VALUE FOR MONEY** compared ZOOM

With GoToConnect, not only can you get \$75 more worth of calls per user per month, and free International calls, you can also pay up to 37% less, per user, per month compared to ZOOM. And we throw in more cloud-recording and cloud-storage too.
